

Congratulations to Jonathan Celli!
2011 Recipient of the MGH Department of Dermatology Service
Faculty Career Development Fellowship

Jonathan Celli, Ph.D. is the recipient of the 2011 Massachusetts General Hospital Department of Dermatology Service Faculty Career Development Fellowship, one of the Eleanor and Miles Shore 50th Anniversary Fellowships for Scholars in Medicine.

The Fiftieth Anniversary Program for Scholars in Medicine was established in 1996 to celebrate the 50th anniversary of the admission of women to HMS and to acknowledge the important contributions of women to the School. As part of this celebration, a Fellowship program was established to help junior faculty, women and men, at the point in their careers when they must teach, do research, compete for grants, publish, or practice (if a clinical faculty member) at the same time they may be assuming increased family or other responsibilities. The program was renamed in 2004 to honor Dr. Eleanor Shore's, former Dean for Faculty Affairs, and Dr. Miles Shore's, Bullard Professor of Psychiatry, Emeritus, efforts on behalf of the 50th Anniversary Program for Scholars in Medicine.
